DETAILED INFORMATION

Manufacturer's Description

The Sunseeker Camargue 51 is built to US Coastguard regulations. The 51 features: electric winch with deck and cockpit controls, hot and cold swimming shower, foot level courtesy lighting, radar, autopilot and G.P.S., electronic speedlog, depth sounder, and VHF radio Hydraulic power steering. OFFSHORE CRUISERS: Sunseeker's Offshore Cruisers offer performance and extended ranges along with crucial cruiser comforts such as well-equipped galleys and ample stowage. Their hulls are broader in the beam, providing more space for accommodations. Deeper in the water, Offshore Cruisers are particularly seakindly, combining comfort with response. SUNSEEKERS: Sunseeker is the largest privately-owned builder of production cruisers in the world today. The performance of its boats demonstrates the skills of its world-class design team. Sunseeker uses the best materials, the latest design techniques and construction methods, together with rigorous quality control procedures. With a choice of propulsion systems, layouts and furnishings and fittings, these boats are truly made to order. Sunseeker support is available all over the world
