Overview

Incredible opportunity on a Sea Ray aft cabin motoryacht! If you've been looking for a floating condo or coastal cruisers that won't break the bank, here you go. "R and R" is a beautiful example of Sea Ray's popular 370 aft cabin motor yacht and she sets herself apart in the following ways:

- Repowered in 2004 with Yanmar 370 diesel mains and generator from gas burners to double the fuel economy!
- New Yanmar 9.6 kW gen set in 2004
- Upgraded EZ2CY bridge and sundeck enclosures, covers, etc. in 2014
- Upgraded electronics and soft goods
- Three stateroom/two head layout

R and R's owners are looking to move up immediately and has priced her for a no-haggle quick sale. put her on the top of your list!

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

The 370 Sea Ray Aft Cabin is the only three stateroom motor yacht in this size range. This is the perfect cruising yacht for a family of four to seven! She features a large full beam master with an en-suite head with separate shower stall. The VIP stateroom forward features a center-line berth and ample storage closets and drawers. The third private stateroom to port has a single berth and can be used as another guest stateroom or a great storage area. All three staterooms have privacy doors. A nice size salon features a sleeper sofa to port and barrel chair to starboard and a beautiful entertainment/TV center along the aft bulkhead. The galley is huge for a yacht of this size with abundant storage cabinets and full complement of appliances for preparing any type of fare.

Above decks is a large aft deck protected by a hardtop and custom hard glass enclosures with custom privacy screens. Plexiglas wing doors port and starboard really finish this area off and provide a dry and protected area. Also on the aft deck is the wet bar with ice-maker and lots of storage. The aft bench seat has been removed to allow for more comfortable chairs and a more open arrangement. The bridge is protected by a Bimini top and more custom hard glass enclosures. The bridge seating consists of two captain's chairs, and aft bench seat and a lounge to starboard. There is a full complement of electronics including radar, GPS/chart plotter and autopilot.

Salon

- L-shaped sofa sleeper
- Barrel chair
- Entertainment center with TV
- Carpet cover
- Mini blinds and curtains
- Cherry cabinetry
- Reverse cycle Marine Air conditioner
