Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Modified Deep Vee

Engine Information

Engines: 2

Manufacturer: Volvo

Model: 5.7 GI

Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Powerboat Guide

An updated version of Carver's original 36 Mariner built back in the 1980s, the new 36 Mariner combines the spacious singlelevel interior of her predecessor with contemporary styling and a surprisingly good turn of speed. By any standard, this is a big 36-footer with the ability to entertain a small crowd without being crowded. The Mariner's full-beam salon features a posh Ultraleather lounge and dinette, high-gloss cherry woodwork and a full entertainment center with TV and stereo CD. The extra-large head includes a separate stall shower, and the galley has plenty of storage and counter space. Topside, flanking stairways lead from the cockpit to the enormous bridge where port and starboard lounges and an aft bench seat can seat up to ten guests. Twin transom lockers house fenders and lines, keeping the small cockpit clear of miscellaneous clutter. Air conditioning, generator, flybridge wet bar, swim ladder and transom shower are all standard. A wide beam and very modest transom deadrise make the Mariner a notably stable boat.

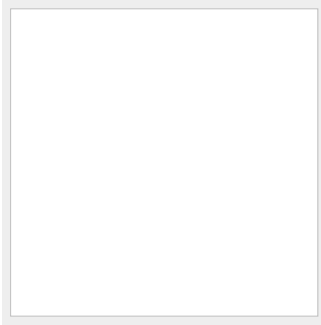

Exclusions

Owner's personal belongings.
