SPECIFICATIONS

Overview

One of the most well equipped Selenes on the market. 'Alter Ego' was built by her owners with a high level of attention to detail that is not seen on a yacht this size. She is equipped with an extensive electronics package with redundancy of multiple systems for long passages. A beautiful interior with solid teak and holly floors, teak interior with a satin finish and touches of high gloss teak throughout. Two staterooms and two heads, each with separate showers make this a passagemaker that can handle extensive cruising with room for guests. She truly feels like a much larger yacht and is built to a quality that is not found under 50 feet.

NOTABLE FEATURES

Extensive Electronics Package including :

- Two Garmin 7215's
- Two Garmin GMI 10 Autopilots with separate pumps

DETAILED INFORMATION

Salon

Walking through the Diamond Sea Glaze Dutch door, the salon is welcoming and warm. The interior woodwork is a teak interior with a satin finish highlighted by high gloss accents and teak and holly floors throughout. Leather upholstered settees are on both sides of the salon with storage underneath. The port side settee expands out to make an additional berth with a fill in cushion. A high gloss teak table that expands for more dining sits in front of the port settee. An LG LCD TV is hidden behind a sliding cabinet on the front side of the galley bar.

Solid Teak and holly floors, not veneers. Each piece is individually laid by hand.
