Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations, Furnishing & Layout

The Navigator 57 has a beautiful Euro sleek profile dockside, The high grade stainless steel hardware gives you an idea of the quality materials used to manufacture this majestic motor yacht. The vessel is easily boarded from convenient side rail gates, or from the wide cockpit gunwals. From the water a tender crew can take advantage of the large integral swim platform. A huge transom door gives way to the expansive aft deck. Very high gunwals give the crew a very safe secure feeling underway. Large built in transom cabinet provides abundant storage. The aft fly bridge deck provides adequate shade to the forward cockpit. Other aft deck features include large dunnage box, Lazarette hatch, and two large sliding cabin doors to the salon.

Wide side decks with stainless hand rails provide safe passage to the bow deck. Two large deck boxes hold ground tackle and safety gear. A large Bomar hatch provides ventilation to the VIP stateroom. Additional forward deck features include heavy duty MUIR windlass, Stainless steel bow rails, and a nonskid deck.

When entering the salon through the cockpit you will encounter a lavish living area with high gloss teak cabinets, a light white vinyl over head, new Berber carpet and lots of natural light from the surrounding tempered windows. The starboard salon has a large L shaped leather settee with a beautiful teak pedestal table. Across to port is a long row of storage cabinets. The forward salon boasts a entertainment center with Bose surround sound stereo system, large flat screen TV, DVD player, and a ice maker to port.

Going up three steps forward brings you to the raised pilothouse area. Forward to port is a long L shaped Dinette. Across to center is the helm. Helm highlights include a full complement of electronic navigation aids, mechanical controls and monitors and a electric adjustable captain's helm chair. Aft to starboard is the U-shaped galley which boasts all appliances to create a simple breakfast up to a full dinner menu.

The master stateroom has a private access from the forward starboard salon. A large Island queen berth located midship provides a good night sleep. Forward an enclosed head has a separate shower stall, Raritan system, and abundant storage. There is a vanity and additional storage on the starboard side of the berth. There is a Furuno NavNet repeater along with a depth sounder and wind speed indicator on the forward master stateroom bulkhead. Other stateroom features 3 port holes, 2 reading lights, Marine Air A/C, and teak cabinets throughout.

From the forward pilothouse six steps down brings you to the forward companion way. There is a locker with separate washer and dryer. To port is the 2nd guest cabin with over under single berths. All the way forward is the VIP stateroom with Island queen

berth. The VIP has numerous teak cabinet, accent lighting and a large mirror aft. Between the cabinets to starboard is the 2nd guest head which features enclosed shower, Corian countertops and Raritan Electric head.

The fly bridge is accessed from an inside staircase on the port side pilothouse. The captain and crew have an unobstructed 360 degree view of their journey. The central forward helm has a full array of electronics and a large bench seat. Starboard aft is a L-shaped bench seat with storage. Aft to port is the wet bar with grill, frig, and sink. All the way aft on the bridge is the tender dock with davit, and ridged hull inflatable dinghy.
