SPECIFICATIONS

Overview

This Tiara Sovran has only had 2 owners and has been Boathouse kept since new! At just over 50' overall, it was custom ordered with teak cockpit/pilothouse and all teak/holly flooring on interior (no carpet if you have allergies). In addition to the many options, this Tiara has several Northwest additions including: water maker, Diesel forced air furnace, 2nd helm at cockpit with complete controls, wired remote control 3rd helm, and custom staple rails on swim step.

Better than new and better than any new similar boat on the water, "Tenedos" is loaded with modern and appropriate equipment throughout for the total comfort of cruising, fishing and safety.

Equipped with twin **Cummins 660 HP (each) QSM 11** Diesel engines- 1116 Total Hours. They are a perfect match for the style and delivery of quality cruising on this beautiful Tiara.

- Bow Thruster
- Sleeps (6) adults in comfort
- Cockpit control station
- Electrical system 110/240
- Boathouse kept since new!

Absolutely Pristine, Cared for with regular Professional service and ready to go for this boating season!

Note: Spring of 2015 out-of-water full service (bottom paint, zincs)

Model: QSM 11

Fuel Type: Diesel

DETAILED INFORMATION

Specifications

OVERVIEW: Many manufacturers build quality, high-end sport cruisers but only a few reach the standards of engineering and finish consistently attained by Tiara. In the 4400 Sovran, Tiara delivered a yacht of remarkable luxury and design sophistication. The Sovran's handsome styling is highlighted by her fully integrated hardtop, graceful sheer, and slightly reversed transom. Focusing on comfort and function, the posh, two-stateroom interior of the Sovran offers a luxurious blend of satin-finished teak woodwork, Corian counters and Ultraleather seating. The large salon settee seats five and is served by a bird's eye maple table. Each stateroom has an ensuite head and a washer/dryer combo is concealed in the aft stateroom. Topside, an impressive Double Stidd helm seat can be raised or lowered electrically. An L-lounge is opposite the helm, and fore- and aft-facing seats and a pair of hydraulically operated high-low tables are found in the cockpit. The extended swim platform is large enough to accommodate a dinghy or PWC.

**RMP - Speed 1000 RPM 9.5 KTS 1500 RPM 15 KTS 1800 RPM 21.7 KTS
2000 RPM 26.5 KTS 2270 RPM 31 KTS**
