DETAILED INFORMATION

INTRODUCTION

Easy Rider is a beautifully maintained yacht built by the legendary Hatteras Group. This yacht features a custom Palmer Johnson interior that blends exotic woods and gives the vessel a timeless feeling. Easy Rider was custom built for a very knowledgeable yacht owner. There are back up systems for all important mechanical areas of the yacht including two complete air conditioning systems. Featuring four comfortable staterooms plus three additional crew cabins, this yacht can serve as either a perfect private or charter yacht (Easy Rider has had a successful, but intentionally limited charter history). Easy Rider, through multiple refits, is ready for immediate use. Refits have addressed all major areas within the boat: exterior paint, engine service, new navigational electronics and interior upgrades (see complete list).
