## Detailed information

---

Luna was delivered in late 2002 and shipped directly from Finland to Mallorca for commissioning. Compared to other Swan 45's, she is one of a kind and specified for easy short-handed cruising. Featuring a reduced draft keel, she draws on 2.29m compared to the standard 2.8m. In addition, both mainsheet winches are powered for easy push button sailing.

The Swan 45 is a modern classic and one of the most aesthetically appealing yachts ever conceived. Hugely successful on the international regatta circuit over the past decade, these yachts are more popular than ever and have become the iconic performance cruiser.

Luna features two guest cabins and two heads, perfectly set up for two couples or a family of four to enjoy fast and comfortable cruising.

Currently lying in Piombino, Italy. She is available to visit by appointment.
