DETAILED INFORMATION

72' Hatteras Motor Yacht LADY ELYSE

This is the most up to date Hatteras of it's size and vintage on the market today. She is truly ready to go. All you need to bring is your tooth brush and guests and you can be out on the sea enjoying this beautiful yacht. Updates and renovations exceeding \$650,000 recently completed including a full hull paint job (top to bottom), all new electronics (Garmin touchscreen at both stations), GOST security system (for dingy too), all new soft goods from top to bottom, new tender and a totally new galley. Pop-up TV with Direct TV. The galley is impressive with all new BOSH appliances to include a giant three door SS fridge/freezer, stove, dishwasher, trash compactor as well as new counter tops and cabinetry. And to top it off, the galley has an espresso machine. A few steps to the upper deck includes a wet bar with a propane grill along with a wine cooler and even a beer tap that dispenses from a full size keg! New cushions and Bimini Top. This yacht has everything for charter or private use including inside tableware as well as a different set for dining upstairs on the top deck. All safety gear is in place to make her SOLAS compliant for charter with exception of a fire suit and man overboard exposure suits. The safety gear, which includes two six-man Viking life rafts, was an over \$25,000 investment. New AB dingy complete with GOST Tracking system (always know where your dingy is). All new running lights, new fenders, new dock lines, new stainless anchor and new life rings. New 1,200 gallon per day Aquamisser water maker. All new water system, 2 new water heaters. This boat has it all and is a steal at this price. If you are seriously looking for this size and vintage yacht then this one is for you!

Master Stateroom

- Centerline king berth
- Lighting system for reading - port & starboard
- Bathtub
