SPECIFICATIONS

Overview

SPIRIT OF THE C's is a 112-foot (34.2m) luxury Tecnomar motor yacht offering high-speed performance and a truly unique luxurious art deco styled interior. This performance open yacht is capable of reaching a top speed of 30 knots.

The yacht's striking exterior was designed by Luca Dini and boasts a unique colour scheme, which complements the yacht's sleek lines. During the winter of 2015 the yacht benefitted from a full exterior re-spray as a part of a full yard period. The exterior spaces onboard are extremely spacious with a foredeck sunbathing area and a spacious open aft deck; both of which are fitted with a Bose music system.

The interior of SPIRIT OF THE C's has been finished in an art deco style with Moroccan & African influences. Complementing the interior volume is the luxurious finish in fine woods & Carrara marble. The main salon features a large sliding roof, which opens up the forward seating area; ideal for sheltered alfresco dining. With antique Moulin Rouge 1920's furniture and Persian silk carpets, very few yachts in this range can compare with respect to interior finish and quality. The interior has also benefitted from an AV upgrade.

The yacht is able to accommodate up to six guest in three beautifully appointed staterooms located on the lower deck, including an expansive master with full beam ensuite shower & Jacuzzi, a VIP stateroom and a double stateroom, both of which have ensuite facilities.
