SPECIFICATIONS

Overview

UPTICK is a beautiful example of Tiara's 3500 Sovran that was first introduced in 2008. Her upkeep has been phenomenal with a very knowledgeable owner and an open checkbook to keep her at the highest standards that you would expect from a Tiara owner.

She is equipped with Volvo D-4 IPS400 Diesels 300 hp and pod drives with only 385 hours. These motors get outstanding fuel burn and makes driving and docking a breeze for even the most novice boaters.

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

As you step onto UPTICK you see the inviting cockpit with ample seating for entertaining. Step up into the fully enclosed air conditioned helm area that will keep you cool and dry in any weather conditions. The helm has all the right electronics and everything you need right at your fingertips. Walking down the entry steps into the salon there is the convertible plush leather sofa and engraved teak dinette. Aft of the sofa/dinette is a full head and to maximize space and have a separate stall shower, the toilet has been put in the shower with a fold down seat. To starboard is a beautifully crafted complete galley that has an abundance of storage and capable of making a quick snack or preparing a full gourmet meal. Aft is the well laid out aft lounge equipped with a 20" LCD flat screen TV and has seating on both sides which convert to a very spacious aft cabin berth. Forward is the master stateroom with the centerline queen size berth and plenty of storage around and under.

UPTICK is the perfect size cruiser for a trip to dinner or taking extended trips in comfort and Tiara style.
