Model: 3516B

Fuel Type: Diesel

DETAILED INFORMATION

Description

MY VSY 64 is the third in the series from the Italian shipyard Viareggio Super Yachts (VSY).

The construction and the development of this design benefits from the experience gained from building her two sister-ships Candyscape II and Roma.

As work is ongoing, with Caterpillar engines and generators already fitted, there is now an opportunity for a new owner to select his own interior style with his chosen designer and take delivery within 18 months.

The Espen Oino design of the yacht is such that she offers excellent on deck and interior spaces for a new owner. The yacht can accommodate the inclusion of a Touch & Go Helipad if the buyer so chooses.

Mechanical

PROPULSION

Main propulsion system	2 x CATERPILLAR 3516B-HD DI TA SCAC
Max & continuous power	2000 kW at 1600 RPM each

ELECTRICAL POWER

Main generators	4 x CATERPILLAR C9
Max & continuous power	200 ekW each
Emergency generator	1 x CATERPILLAR C4.4 400V 50HZ
Max & continuous power	86 ekW
