Model: IPS600

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Remarks

The “Lagniappe” Prestige 500 Fly will appeal to serious cruising folks who enjoy living aboard for extended periods, but don't want to sacrifice comfort along the way. She is powered by twin 435-HP Volvo Penta IPS 600's with only 140 hours. The IPS drives makes maneuvering a snap for even the newest of boaters. A mid-ship owner's suite and placing the galley in the salon not only makes the cook happier, but makes room below for two guest cabins.

The Lagniappe is owned by a seasoned owner with an open check book and is managed by “Sea Worthy Yacht Maintenance Group” AND IT SHOWS. This very lightly used vessel has become available because the owner is ready to move up again.

This 2014 Prestige 500 Fly Lagniappe has **Volvo ESC until 12/10/19 or 1000 hours** which equates to exceptional value for you. **This is your next vessel.**

Bottom Job-Jan 2016 Full Engine & Drive Service Completed-Jan 2016 Re-tune Props-Jan 2016

****Owner requires 24 notice for showing appointment**
