## Overview

---

The Astondoa 72 GLX is perhaps one of the best yachts ever built by this popular and successful Spanish manufacturer. A well conceived layout provides a great deal of space on board and, the general feeling of a much larger yacht. DARACH has been very well looked after and little used. She has recently been transferred from Spanish registry to British registry and, maintains her VAT paid status. Owner wants offers now, before the season. A good deal could be achieved for a potential Buyer.
