BROKER'S REMARKS

Without a doubt, Westport's 130'/40M Tri-Deck M.Y., **ENDEAVOUR**, has successfully

combined an award winning design, finely tuned engineering of systems, and excellent construction methods. Being Hull #10 of this popular series and now up to Hull #14 makes this ready to cruise a unique opportunity. Built to ABS/MCA construction classifications opens this yacht to a world market and the benefits of chartering, if desired. She is the only 40M with European Flair Interior Paneling – Honey-toned Anigre w/ traditional satin finish, and high gloss valances and bullnoses result in a timeless modern atmosphere.

A must see if in the market and recognize the benefits of a premier, made in America yacht builder. It is the closest to buying a Blue Chip stock with an excellent resale value. **Not for sale to US residents while in US waters**
