DETAILED INFORMATION

Manufacturer Provided Description

The Regulator 23 FS has set a high standard for the center console offshore fishing boat market with its functionality, powerful performance, and family-friendly attributes ? all packed into a 23-foot package. First, you get all the fishing features you need: 695-quart in-deck fish/dry storage box with room for eight rods, 64-quart cooler/seat, built-in console tackle box, 25-gallon in-sole livewell, twin 48-quart transom bait boxes, four-legged leaning post with rocket launcher, and gunwale-mounted Lee rod holders. Add more fishing power with optional Lee® Sidewinder outrigger bases and 16-foot outriggers with lay-down mounts; and SuperSport leaning post, which incorporates tackle storage in its flip up seat with and rocket launchers for up to nine rods. But the Regulator 23FS also adds an extra measure of storage and comfort. Forward bench seating is richly upholstered and padded which also creates twin 140-quart insulated storage underneath, plus padded coaming panels extend a full 360 degrees around the boat. And of course, your crew will enjoy the ride with safety and security from Regulator's famous soft and dry ride carried by her 48-degree entry bow, 24-degree transom deadrise and fully integrated Fiberglass Grillage System for structural strength. For style and comfort, add the popular optional T-top. This solid fiberglass structure is secured to an anodized aluminum frame, and comes with prewired electronics box, dome light, and outrigger bases. Add a five-rod rocket launcher to the top for even more firepower. Reliable Yamaha power and control guides the Regulator 23FS. Command Link Digital Network instrumentation, which includes LCD data displays and a binnacle control with power trim. Teleflex tilt steering, stainless steel props and stainless steel Yamaha fuel/water separating filters come standard.
