SPECIFICATIONS

Overview

WILL CONSIDER SMALLER OUTBOARD TRADES

Statement is no ordinary powerboat manufacturer. They have continued to produce an expanding lineup and specialize in extreme high-end, high performance powerboats. They are fully customized, highly specialized and built with flawless execution and extreme attention to detail.

Ready to fish anywhere, this Statement 38 has many special custom features designed by an experienced sportfish captain. **Recent upgrades include:**

- New Hooker live well pumps
- All new cushions and bolsters all new covers for seats, console, and tower

Offering an economical cruise and impressive range, three NEW Mercury 350 Verados produce blistering top-end speeds. This powerboat truly is the perfect combination of performance and tournament fish ability.

Located in St. Petersburg, Florida, Statement's almost completely self-contained facility makes it possible for them to produce most all major components in house which in turn results in processes that are continually enhanced and improved to make the best product possible and allows them the freedom to accommodate specialized custom requests. All under one roof, woodworking, custom upholstery and metal fabrication shops along with a climate controlled molding room for post-curing decks and hulls is the structure behind their motto, "If you dream it, Statement can build it!"
