SPECIFICATIONS

Overview

The 270 Outrage with its low profile bow rail combines a sleek form with a plethora of fishing friendly equipment. Three in-deck insulated storage/fishboxes, a lockable console, (with an enclosed portable head, sink and pump-out) locking bow rod storage, a lighted 23 gal. transom live well as well as 10 rod racks and 11 rod holders are but some of the outstanding features. Boston Whaler has refined its Accutrack hull system, featuring a deep-vee hull with an even sharper angle of entry that produces a softer ride. Strategically positioned reverse chines and running strakes give lift and superior tracking while deflecting spray for a dry ride.

Basic Information

Category: Center Console

Model Year: 2003
