ХАРАКТЕРИСТИКИ

Обзор

"Amber Waves V" is a rare example of the Hatteras 54 Extended Deck Motoryacht model. This yacht featured a revolutionary layout with four staterooms (three of which have queen size berths), three heads with stall showers, full-width salon, full beam walk-in engine room and private access separate from the guests to the master stateroom with head and bathtub. An amazing amount of room for a 54 foot boat that includes a light and airy galley up design and huge flybridge with custom seating.

"Amber Waves V" is currently on land and covered with shrink wrap for winter storage but will be receiving fresh bottom paint, zincs, repacked stuffing boxes, fluids, filters, etc. so she is ready to cruise for her next owners! Located in Baltimore just minutes off of I-95 and only 20-25 minutes away from Baltimore Washington International Airport (BWI). Call today to set up an appointment to see her!

Preliminary Listing as most photos were taken while boat was shrinkwrapped and without electric while winter stored on land. Full pictures and specs to follow as soon as possible!

Основная информация

ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

"Amber Waves V" features the revolutionary layout of the Extended Deckhouse Model from Hatteras Yachts with four staterooms, including three queen-sized staterooms and a fourth with upper and lower bunk stateroom, plus private access to the master suite that is separated from the guest accommodations by the full beam engine room. Her on-deck galley is open to the salon creating a light and airy entertainment area. There is seating at the counter bar as well as a dining table for six on the port side of the salon and a large sofa to starboard. Moving forward is the separate pilothouse which allows for great visibility from the helm. Full instrumentation, port and starboard sliding doors to the front deck and the ladder to the fly bridge make this the a versatile boat to pilot. A line handling deck is aft of the salon and the bow has a built in sunpad and seating. The flybridge had been customized with a walkthrough through the factory built in U-shaped seating opening up the aft end of the bridge to additional seating and lounges. The bridge had custom railings and canvas added in this area as well making it not only functional but also safe.

Staterooms

The Master Suite is aft, accessed from the salon and features an angled queen berth from the port aft corner, plenty of drawer storage, white ash cabinetry, a full-sized tub, cedar lined hanging locker and an updated flat panel TV.

The first guest stateroom is in the bow and has a walk-around queen berth, updated flat panel TV, a large cedar lined hanging locker, plus storage under the lift-up berth and white ash cabinetry.

Moving aft, up three steps and to starboard is the upper and lower guest stateroom. Directly to port is the guest head that is easily accessible between these 2 staterooms and features a stall shower.

The full beam VIP suite is midship with a third queen-sized berth, plenty of drawer and cedar lined hanging storage, updated flat panel TV and private head with a separate stall shower.

Galley

- Magic Chef Range
- Microwave Oven
- Sub Zero Under Counter Refrigerator

- Sub Zero Under Counter Freezer
- U-Line Icemaker
- GE Dishwasher
- In-Sink-Erator Disposal
