SPECIFICATIONS

Overview

It's not about building another boat...Its about building the best boat.

This time the vision has taken the form of the **33-foot Mag Bay** center console. With the collaboration of Michael Peters Yacht Design in Sarasota, Florida, the Mag Bay has taken shape from a few sketches on a piece of paper to a complete boat running around the Pacific. Mike Howarth explained, "We know there are other good boats being made out there, so our goal is to be known as one of the finest made boats on the market. It is crucial that all of this effort is built upon a well-designed hull and for that reason, we use Michael Peters to create our designs. He did the last five of **Cabo's hulls** and is regarded as one of the **leading designers** today. One has to put a lot of effort on the front end of the design to ensure the final product will be at its best."

Basic Information

Category: Center Console

Model Year: 2016

Year Built: 2016

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 33' 0" (10.06m)

Beam: 10' 0" (3.05m)

Speed, Capacities and Weight

Cruise Speed: 32 Kts. (37 MPH)

Max Speed: 52 Kts. (60 MPH)

Water Capacity: 38 Gallons

Holding Tank: 13 Gallons

Fuel Capacity: 338 Gallons

Accommodations

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yamaha

Model: 300

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION
