SPECIFICATIONS

Overview

She has spent her entire life in a covered, freshwater slip in Tennessee and her one owner has decided to move on to other adventures. She shows outstanding inside and out, she has super-low hours and has every option one could want, including three stateroom/three head layout, bow and stern thrusters, hydraulic swim platform with dinghy chocks, hardtop, and the list goes on. She has just been waxed and is ready to view 24/7, and doesn't have the South Florida sunburn that you'll find in many motoryachts. Put this 55 on the top of your list- you won't be disappointed.

DETAILED INFORMATION

Walkthrough

Step into the Marquis 55 SE and pause. Take a close look at the select woodwork. Cabinets, bulkheads and doors are handmade by Marquis craftsman and custom finished using a technique that you will only find on a Marquis yacht. Run your hand along the cabinet surface. You won't find more perfect joints, higher quality construction or smoother wood finish on any other brand of yacht....regardless of size or price. Remain in the salon and take in the unobstructed panoramic view of the outside world. The Marquis 55 SE makes ultimate use of strategically placed windows that encompass the yacht. Anywhere within the yacht's salon, galley and dinette is a perfect place to enjoy an omni-directional view of what is happening within the yacht's outside environment.

A full beam salon, well-appointed galley and dedicated dinette provide plenty of living space for six adults. Sleeping accommodations feature a spacious full-beam master stateroom equipped with numerous built in closets and a substantial storage bureau. Guest accommodations include a luxurious VIP stateroom with extraordinary elegance and a highly versatile third stateroom that is outfitted with a side by side twin berth.

Salon

Custom curved sliding doors provide a stylish entry into the salon of the Marquis. The salon takes advantage of the yachts 16' beam by providing a spacious environment.

Broker Remarks

Marquis is the creative product of naval design team Nuvolari-Lenard of Venice, Italy. Their distinctive visual signature is readily seen in the sweeping lines of a Marquis exterior character. Yachts designed by Nuvolari-Lenard have a unique, distinguished personality that has become the desire of global yachting society. A vessel constructed by the American Marquis yacht yard reveals staunch yacht-building prowess, stalwart construction and incomparable systems dependability. Every Marquis yacht is built to CE Class "A" specification-among the most rigid yacht design and construction standards in the world - an enviable distinction that few other yacht builders can claim. Marquis is a trustworthy union of reliability, style and luxury recognized and appreciated by experienced yachtsmen throughout the world.
