## Additional Salesperson's Remark

---

I'm a big fan of the 67' Hatteras CPMY. It is a fantastic platform for cruising and family fun. The cockpit is a must have! Easy to access with a tuna door that leads to the swim platform. She is ideal for those who love to dive, snorkel, have small kids or grandchildren, and those who don't like to scale down a slippery ladder! The interior of CLASS ACT has been nicely updated and is extremely comfortable. If you are looking for a Motoryacht to start your new adventure then this one should be on your list!
