SPECIFICATIONS

Overview

The MCY 70 is the perfect evolution of the aesthetics and cutting-edge functional qualities expressed by the MCY 76 and MCY 86. There is no yacht quite like the MCY 70, it is beautifully different from anything else found in the oceans of the world. Highly expressive of the Monte Carlo Yachts' style with elements such as the high-flared bow, the MCY 70 also distinguishes itself with previously unseen features such as the sinuous flow between the profiles of the fly and fashion plates.

The advanced keel structure features self-supporting sandwich plating that together with longitudinal reinforcements - there are no floor plates - a bow crash box, and extensive use of kevlar in the areas of greatest impact provide the Monte Carlo Yachts with a very solid but light shell. **Cabins: 3 guests + 1 crew** Layout: 3 Cabs - Galley Lower Deck

Electrical Equipment 2x 20 kVA Generators G1: 491,3 hours G2: 15,2 hours 24V/220V inverter Stern Thruster (electric) Bow Thruster (electric) Flaps - Searchlight Seakeeper's gyro stabilizer system Double racor filters for engines Engine, generator oil change system **Electronics & navigation equipment** Monitoring and Control LCD displays Radar Chartplotter GPS Raymarine Raymarine Radars Flaps indicators Chain counters **Interior & Exterior Equipment** Tropical air conditioning Refrigerator with freezer Fresh Water maker Cradle for tender on bathing platform Up/down lifting platform Teak floor on cockpit Teak floor on sideways Teak floor on bathing platform Teak floor on fly bridge Sideways teak hand rails Teak tables External cushions Bose Home theatre system TV LED & DVD
