SPECIFICATIONS

Overview

Celebrate is an exceptionally well-equipped and maintained Next Generation Selene 49. In fact, the only one available in the world at this time. Celebrate has all it takes to have cruised from New England to the Bahamas in safety and comfort. Stabilized, thrusters, watermaker, and tons of top shelf equipment. In commission with fresh bottom paint, waxed hull and topsides, new batteries - all typical of how the original owners have cared for her since new. Contact Chuck for pictures, CADS of all systems, and detailed description of everything.
