SPECIFICATIONS

Overview

This is a very nice example of a 29 Blackfin FB. Both engine's and transmission's have been completely gone-through with many components replaced and/or re-built. The Strb engine was pulled and re-built. Fuel tanks have been flushed and cleaned. Both engines have been in-water tested and are running great and New cushion were added in 2014. The 29 Blackfin FB is considered by offshore fisherman to be the best in her class! With a 10'6" beam and a deep 22 degree deadrise and a huge uncluttered cockpit. Below, the cabin features a convertible dinette forward together with a galley and a stand-up head with shower. Enjoy 360 degree visibility throughout the interior cabin. The cockpit can handle small chair's and seating on the engine covers, and engine access is excellent. A very popular boat. The bottom has been painted, she is very clean and ready to go this season.

DETAILED INFORMATION

Accommodations

Below, the cabin features a convertible dinette forward together with a mini-galley and a stand-up head with shower. Sleeps 4 owners and guests. V-berth forward sleeps 2 and dinette converts to sleep 2 for a total of 4 berths. One head and shower. 6'6" of headroom, with 360 degree visibility throughout the interior cabin, makes this salon roomy and enjoyable.

Deck & Flybridge

Cabin door aft leads to a large cockpit with raised engine boxes for seating and easy access to engine room. Chairs can be added to the cockpit for additional seating. The swim platform was removed, refurbished and re-installed with new frame and SS bolts. There are 2 Swivel chairs on flybridge with a large settee to starboard, easily accommodating 5 owners and guests. There are outriggers that can be installed on the bridge. This boat is perfect for a weekend and built for serious offshore fishing or comfortable family cruising.

Engine's

Twin Crusaders 454 CID, 350hp, engines. **Starboard engine** (1080 hrs) and transmission were pulled and re-built 2014 (2 hrs). **Port engine** (1120 hrs) and transmission were completely gone through, with numerous components repaired and/or replaced. Both engines were tested in-water and are running smoothly. During engine work, bilges were cleaned and sanitized and tanks flushed.

Galley

Galley is down, forward of aft head.....features counter space, sink with hot & cold pressurized water, a two burner electric stove and ample storage outboard and below.

Head

There is a enclosed head to starboard, with electric marine head, shower and sink.

Electrical Equipment

AC power, with panel in main salon. DC on main panel, 30 Amp - 120 volts electrical

system w/breaker, power outlet and power cord. 3 - electric bilge pumps located in bilge forward, central and aft.

Exclusions

Owner's personal belongings.
