SPECIFICATIONS

Overview

Offered for sale by her third owners, Bare Season is in great condition. The Sea Ray Sundancer 370 is one of the most popular Express Cruisers in the world. Both her 7.4L MerCruiser engines were replaced in 2011 with long blocks. Her interior has been redecorated, and all systems updated. She has been recently waxed, her bottom painted and her shaft bearings are new. The propellers have been balanced and new zincs fitted to her shafts. Also replaced was the 7KVA generator. Her current owners bought this boat to see if they liked Florida boating - THEY LOVE IT and the boat has become the focus of their lives, so much so that they want to sell her and move up to a larger one. This was an exceptional boat when they bought it and they have done nothing but make it better. Don't be afraid to make an offer. The seller is anxious to move up!!!

Don't be afraid to make an offer - Seller is anxious to move up!

DETAILED INFORMATION

Accommodations

The master stateroom is forward with an offset double berth, hanging locker, and plenty of drawer storage. The bulkhead opens to the salon area and provides access for viewing the TV. Aft of the master, to starboard, is the convertible settee/dinette, followed by the convertible mid cabin with a seating area that converts to a double berth. Aft of the master, to port, is the enclosed head with shower, followed by the galley. The contemporary interior was completely redecorated in recent years. She has a custom made Memory Foam Mattress, mattress pad, and fitted sheets. The current owner has recently installed new Sunbrella canvas carpet covers. Additional features of her spacious cabin are a Polaroid flat panel TV and a Panasonic TV/VCR, a Clarion AM/FM/CD player, and a carbon monoxide monitor.

Galley

The galley is located to port, at the foot of the companionway. It has a brand new Norcold AC/DC refrigerator/freezer, Sharp carousel microwave oven, a Kenyon 3 burner electric stove, a Black and Decker coffee maker, a sink molded into the counter top, a hot and cold pressure water system, and plenty of storage.
