Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummings

Model: 6CTA 8.3

DETAILED INFORMATION

Walkthrough

The Sea Ray 420 Sedan Bridge combines the bold, cutting-edge styling and lush accommodations boating enthusiasts have come to expect in Sea Ray yachts. By any standard, the 420 is a strikingly handsome design both inside and out. Wood floors, oversized windows, and plush Ultra leather sofas are just a few of the luxuries found in the spacious interior. A raised dinette with panoramic views, deep-pile carpeting, high-gloss cherry cabinets highlight the decor.

Below, a small guest cabin to port has twin single beds, while the forward master stateroom features a queen-size island berth and a 13-inch TV/DVD player. Both heads are fitted with shower stalls.

A sliding glass door opens to the cockpit with its walk-through transom, transom bench seat, and molded fly bridge stairs, for easy access. The fly bridge offers good visibility fore and aft, the extended fly bridge includes a large U-shaped aft seat with removable table. Cummins 480hp diesels cruise the 420 Sedan Bridge in the mid-20s and reach about 30 knots top end.

Salon

- Leather Sofas with Storage
- Air Conditioning
- Carpet w/ carpet runner
- ClarionStereo
- Zenith TV and DVD player
- Bose speakers
- Cherry Interior
- Blinds
- In floor Storage
