Overview

PRICE REDUCED. OWNER VERY MOTIVATED AND WILL ENTERTAIN ANY REASONABLE OFFER!!!

This 2006 Rinker 360 EC has never been in salt water and has only had 2 owners! Purchased in March 2012, with only 50 hrs on the engines, and now there are only 160, which makes her one of the lowest hours boat of her kind on the market today.

Volvo stern drives were converted from composite to the new Volvo stainless DPS-B DuoProp Stern drive with the latest technology including helical spline propeller shaft which allows more evenly distribution of the load across the propeller shaft reducing stress and maximize the exhaust area, improving the flow to reduce back pressure. This is a \$25,000 upgrade and it comes with a one year manufacture warranty.

This cruiser comes with a fresh water system that converts salt water to fresh water going into the cooling system of the boat.
