Manufacturer Provided Description

Take a tried and true hull design that harkens to the glory days of the downeast-style lobster boat, update it with a refreshing sedan and cockpit treatment, and you have the Pilot 31 Sedan. The first thing you will notice about the Pilot 31 Sedan is the all-weather sedan cockpit deck.

Enclosed on three sides with an available aft enclosure, this area may turn out to be the focal point of your activities aboard. The full helm sports a swivelling companion chair to port, and lies just forward of the Pilot 31 Sedan's cockpit galley. This alfresco cooking area features an electric grill, stainless steel sink, refrigerator/freezer, microwave, and generous storage, all topped with a genuine Corian countertop. To add to this area's charm, we've provided comfortable lounge seating for up to 6 people that can dine at the convenient folding dinette table. The Pilot 31 Sedan will truly take dining and entertaining to the next level.

When its time to relax below, you can retreat into the warmth of an inviting cherry wood interior with a gorgeous cherry plank sole. As you descend, you'll note the pleasant 6'3" of headroom, with the feeling of spaciousness further achieved by five strategically positioned, screened stainless steel portlights. Watch your favorite programs on the standard 20" flat panel TV with DVD. When its time to turn in, a queen size island berth will sleep you in comfort, and the convertible sofa will expand to full-size upper and lower berths. You can sleep four adults in the

comfortable salon of the Pilot 31 Sedan! The wet head is easy to maintain fiberglass with a Corian-topped vanity, and a roomy cedar-lined hanging locker will hold your clothing.

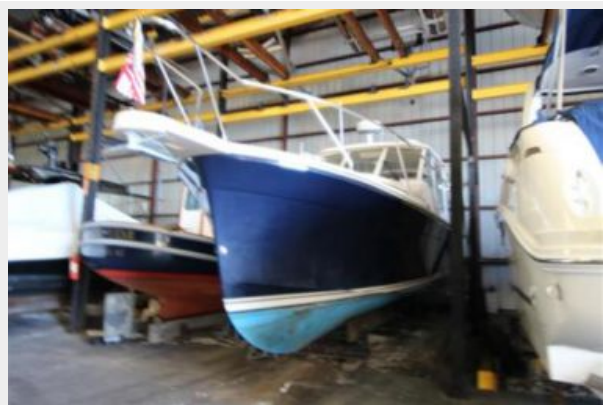

Exclusions

Owner's personal belongings.
