SPECIFICATIONS

Overview

To-Tok represents the opportunity to own an almost new SD126 (38m) Sanlorenzo. Built for a discerning owner, the yacht is complete with the upgraded "Americas edition" extras, these include, larger than std generators, 25% additional AC @ 480,000 BTU's, salon terrace, two Jacuzzis (flybridge and bow). The master stateroom has a large shower with lay down bench beneath 6 programmable spa shower jets, it is also a steam room and rainhead shower. The bathroom is finished in beautiful Carrara marble. Redundancy built in on the major systems, 60hz electrical system plus an ASEA frequency convertor enables the yacht to go anywhere in the world. **To-Tok** has been very lightly used (300 hrs) whilst maintained by a highly professional Captain and Engineer along with full crew since delivery from the shipyard. The vessel is immaculate both mechanically and cosmetically, ready to go for the summer season. Full CAT warranties are in place through Nov 2019 or 2500 hrs. This is an opportunity for serious buyers looking for a turnkey, pedigree yacht available now.
