SPECIFICATIONS

Overview

This four cabin plus crew layout in 65 feet offers a very manageable owner operator size yacht for either a large family or charter vessel. Add to this the fact that Lolli & Pop has a fully air conditioned enclosed bridge plus jet ski on the swim platform and dinghy on the fore deck and you have discovered a unique, very well equipped Princess indeed.

In 2015/2016, add the constant updates with machinery, entertainment, soft goods, A/C systems plus more....You quickly will get the impression that it is a ready to cruise offering that must be considered. **Smaller trades of open sportsfish, or center console boats considered!**
