## Overview

---

Engine Hours: 1088 port 1087 stb Generator Hours: 1062 1075 The 64 features a full beam 190-square-foot salon and 146-square-foot galley, while providing an ample 10 inches of side decks for comfortable access to the bow. The spacious salon opens into the galley, dining and pilothouse, providing for an expansive living area. The full glass and stainless-steel salon door allows the aft deck to be an extension of the salon. Inside the salon, genuine african mahogany perfectly complements the yacht's reveal-style cabinetry and decorative soffit overhead. The large salon windows offer an expansive view, while duets recessed into pockets provide privacy.

Throughout the boat, air conditioning spills over the soffits running down the hull sides of each area, allowing the flow of air to spread over the entire length of the room. Air returns are routed through the cabinetry where possible to keep the headliner clean. All heads are equipped with an air-conditioning vent, full Plexiglas mirrors, bowed wood cabinets, solid-surface countertops and backsplashes.
