Overview

MASSIVE PRICE REDUCTION TO \$599,000!

This Hatteras 65 Enclosed Bridge is Priced for Immediate Sale.

She is going to need some work to get into top shape, but is priced more than accordingly for condition as seller is looking for an as-is deal.

She was surveyed in March 2016 and the survey is available for review with offers. The engines ran strong to CAT spec RPM and manufacturer speed...bones are good just needs a new owner to get her in shape. Total fresh bottom job Feb 2016.

Call for more details, high resolution photos available

Excellent Opportunity, Why Settle for a Lesser Quality Manufacturer when you can get a Legendary 65 Hatteras for a Price Like This.

The 2002 Hatteras 65 Convertible is the true sportfisherman's battlewagon! With the legendary Hatteras build quality and ride, she is ready for a new owner to do some updates and customize to his liking.

4 Stateroom 3 Head Layout, Enclosed Bridge, Pipewelders Tower, Reliable Caterpillar Power, Gloss Cherry Interior, Bow Davit

Easy to see at the Hatteras Yacht Center off SR84, minutes from Ft. Lauderdale Airport!

DETAILED INFORMATION

Vessel Description

The Hatteras 65 Convertible is a soft-riding, agile, tournament battlewagon. The 65's exterior reflects stylish, contemporary heritage while her superstructure complements the superior seakeeping hull that has been touted for its dry, smooth ride.

She is equipped with an enclosed flybridge featuring an aft control station for backing down on a fish or backing into a slip. Down below, the 65 Convertible offers a roomy four-stateroom, three-head arrangement. A curved companionway stairwell, rounded moldings, and fluted wood valances with blinds all add to the beauty of this oceangoing hideaway.

The 183-square-foot cockpit boasts a molded-in bait and tackle center, a starboard drink box, a refrigerator / freezer, a bait freezer, a live baitwell, rod holders, a transom fish box, and an oversized in-deck fish box with macerator pump.

Engine Compartment and Bilge

- Water manifold block with centralized shut-off valve for sinks and showers
- AC fluorescent lights
- DC lights
- DC exhaust blowers
- CAT 3412E 1400HP, freshwater-cooled main engines with marine gears, electronic trolling valves, neutral interlocks, hour meters, alternators, fuel filters/separators, external seawater strainers and exhaust silencers
- 21.5kW freshwater-cooled Electronic Quiet Diesel Onan generators with seawater strainer, remote start, water separator, hour meter and water rift muffler
- Fiberglass air intake system for engine room and engine combustion air with baffling and filters to minimize water intrusion
- Polyethylene water lines
- FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals
- Pressurized 230v AC freshwater pump, central charcoal freshwater filter with backflush capabilities
- 230v AC 30gal electric water heater
- Freshwater fill hose for engines and generator
- 24v DC bilge and sump pumps, seven at 3700gph, with heavy duty float switches and protective guards
- Auxiliary emergency bilge pump system, AC pumps, 150gpm
- Bronze/chrome plated ball-valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout
- U.L. Marine listed fiberglass fuel tanks with bronze fittings

- Fiberglass holding tanks with bronze fittings
- Fiberglass water tanks, constructed with FDA approved resin, with bronze fittings
- Fuel tanks coated with fire retardant paint
- Sewage holding tank with 24v DC sewage pump, plumbed for dockside pump out, with display as part of systems monitor
- U.L. Marine listed fuel/water separator for the generator
- U.L. Marine approved duplex fuel filters/water separators with bypass manifold, engines
- Monitoring displays for main engines, start and stop switches
- Two A/C ventilation fans
- 110v AC reversible oil changing system for engines, gear and generator with Hatteras patented quick disconnect
- Electric fuel priming pumps, engines
- Electric fuel transfer system with filtration and dry tank protection for pump
- USCG type A1 U.L. Marine approved fuel lines
- Seawater pressure system with AC pump
- Air conditioning compressors and pumps
- Welded and polished 316L stainless steel grab rails
- Painted polyurethane engine room and bilges
- Isolated discharge sea chests
- Transducer well, glycol filled
- Sealed shower sumps
- Pultruded fiberglass rudder shelf
- 1" stainless steel tie bar with pivoting self-aligning ball joint connection at all cylinder and tie bar connections
- Insulation in deck

Hardware and Miscellaneous

- Genuine cherry wood interior with high gloss polyester finish
- All hardware chrome on brass or welded and polished 316L stainless steel
- Fiberglass bow pulpit with welded and polished 316L stainless steel anchor chute and roller
- Windlass, 2500lb. with deck mounted control switches
- Polished 316L stainless steel anchor cleat, drilled and tapped in aluminum backing plate
- Two polished 316L stainless steel stern cleats and hawse pipes, drilled and tapped in aluminum backing plate
- Four polished 316L stainless steel springline cleats with chafing pipes, drilled and tapped in aluminum backing plate
- Polished 316L stainless steel bow cleats and chocks with chafing strips, drills and tapped in aluminum backing plate
- Polished anodized welded aluminum rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates
- Powder coated grab rails on cabin side
- Polished anodized welded aluminum flybridge ladder with acrylic steps

- Welded 316L stainless steel trim tabs
- Integral manganese bronze struts
- Manganese bronze rudders w/zincs
- 7 blade propellers
- Alloy 22 high strength propeller shafts, 4"
- Manganese bronze dripless shaft and rudder seals with thrust bearings
- Bow deck access to rope storage locker w/divider
- Deck plates for fuel and water fills and waste pump out
- Heavy duty bronze engine couplings
- Engine and generator exhaust exits through hull side near transom

Exterior Finish/Construction

- **Fresh full bottom paint job completed January 2016**
- Isophthalic gelcoat, interior layer, black
- Isophthalic gelcoat, exterior layer, white
- Blister resistant vinylester resin in hull bottom skin coat
- Hull and superstructure, polyurethane painted over gelcoat
- Decks, non-skid surface, polyurethane paint with polymeric beads
- Solid fiberglass hull bottom
- Hull sides and superstructure laminated with divynycell core
- Fiberglass stringers
- Steel laminated in stringers at key locations to bolt engine mounts
- Engine room bulkheads and decks of vacuum bagged composite construction using PVC foam core with layers of fiberglass laminate on each side

Electrical Systems

- Two 24v banks of heavy duty, 12v marine batteries mounted in fire retardant fiberglass boxes
- Compatible 240v automatic battery charger 60Hz
- Automatic battery paralleling system with switch at control console
- Air conditioning, 89,000BTU with reverse cycle heating, soft starting AC compressors, automatically staged and individually controlled with SMX controls
- Two 240v, 50 amp transformer connected retractable shore cords with overcurrent protection, port and starboard
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets with GFI
- Battery control panels with fuses and isolation switches
- DC distribution panel with magnetic circuit breakers and battery condition meter
- DC electronics panel with magnetic circuit breakers (bridge)
- AC distribution panel with magnetic circuit breakers

- AC switching panel with voltage selector switch, volt meter, ampmeter, frequency meters, generator start/stop controls, interlock selector breakers and voltage switch boost
- Systems Monitor with controller readout, visual and audible alarm signals
- GFI protection on AC receptacles and lighting circuits
- Navigation lights
- Telephone and cable TV inlets

Enclosed Flybridge

- Molded Fiberglass
- Polished anodized welded aluminum rails and stanchions
- Polished anodized welded aluminum ladder, cockpit to bridge deck
- Elevated L-shape lounge to port with rod storage
- Riding seats, port and starboard
- **CUSTOM vacu-flush head under port riding seat**
- Adjustable helm seat at forward station, pedestal mount
- Windshield with safety glass
- Fixed frameless windows with safety glass
- Intermittent electric windshield wipers/washers with controls
- Forward control station with all necessary switches, dimmable lighted instruments, single lever clutch and throttle controls (electronic) with emergency back-up, hydraulic power assist steering, compass and electronic trolling valve control switches
- Engine sync controls
- Pod style aft control with start/stop switches, single lever clutch and throttle controls (electronic), hydraulic power assisted steering and tachometers
- Electric fuel level gauges, forward control station
- AC duplex outlets
- Carpeting
- Whisperwall panel headliner
- Wood valences
- Telephone outlet
- Defogger
- Wet bar with combination refrigerator/icemaker and storage below
- Hinged door
- Central vacuum
- DC low level lights
- Aft facing seat

Cockpit

- Molded fiberglass, 183sq ft
- Port and starboard hatches to lazarette and fuel tank connections
- ISO standard scuppers in cockpit and cockpit hatches

- Polished anodized aluminum ladder to flybridge with acrylic steps
- Coaming gate and transom door
- Two retractable shore cords
- Seawater and freshwater wash down outlets with Hatteras patented quick disconnect
- Shore water connections with pressure reducing valve and Hatteras patented quick disconnect, one each port and starboard
- Bait and tackle center including sink with faucet, cutting board and tackle drawers (starboard)
- Double size bait freezer, drop-in (port)
- Deep storage tub (port)
- Storage cabinet
- In-floor insulated fish box, 80", removable
- Molded-in transom fish box with drain
- Door and hatch with chrome plated brass lock to engine compartment
- Steps with molded in storage
- Full glass door to deckhouse
- DC overhead lights under flybridge overhang
- Aluminum mounting plate laminated in deck for fighting chair
- Polished 316L stainless steel rod holders, flush mount, set of 4
- Cockpit coaming lights

Utility Room

- AC duplex outlet
- AC and DC light fixtures
- Air conditioning compressors and pumps
- Fire extinguishing system tank
- Pressurized 230v AC freshwater pump

Salon

- Carpeting
- Whisperwall panel headliner
- Bulkheads, genuine cherry wood with polyester finish, high gloss
- Fluted wood valences with 2" wood blinds
- Fixed frameless windows with tinted safety glass
- Telephone outlet
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Electric panels
- Entertainment center with 42" TV
- Custom L-shaped lounge with rod storage, loose cushions, arm rests and double needle

stitching

- Bottle and glass storage
- Polished 316L stainless steel threshold as salon door
- Air conditioning disbursement through fluted wood valences, port and starboard
- Smoke detector
- Full glass door to cockpit

Galley/Dinette

- Amtico vinyl strip flooring
- Whisperwall panel headliner
- Fluted wood valences with 2" wood blinds
- Fixed frameless windows with tinted safety glass
- Solid surface countertops with undermount sink and storage cabinets made of genuine cherry wood with polyester finish, high gloss
- AC under counter refrigerator and freezer drawer units
- AC four burner ceramic cooktop
- Microwave/convection oven covered by cabinet door
- Continuous feed garbage disposal
- U-shaped dinette with drawers under seat
- Electric water level gauge
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Telephone outlet
- Air conditioning disbursement through fluted wood valences, port and starboard
- Drawer access to chart flat area via galley

Companionway

- Carpeting
- Whisperwall panel headliner
- Whisperwall panel wallcovering
- DC light fixtures
- Flush panel genuine cherry wood doors with polyester finish and door stops to master stateroom, guest staterooms and guest head
- Steps to salon with storage underneath
- Overhead storage accessed from companionway
- Access to port chart flat with DC light
- Central vacuum

Master Stateroom to Port

- Carpeting
- Whisperwall panel headliner
- Wallcovering and genuine cherry wood bulkheads with polyester finish, high gloss
- Padded covering on hullside
- Queen-sized tapered berth with upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders
- Upholstered berth base
- Polyfoam mattress on berth
- Cedar lined hanging locker with doors and automatic light
- Nightstand with drawer
- Dresser with drawers
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- 20" LCD TV
- Stereo speakers
- Telephone outlet
- Full length mirror
- Clear plexi-mirror, aft bulkhead
- Private access to master head with door stop
- Upper storage cabinet outboard
- Air conditioning disbursement through fluted wood valance
- Smoke detector
- DC low voltage lights under berth

Master Head

- Amtico vinyl strip flooring
- Whisperwall panel headliner
- Wallcovering
- Solid surface countertops with solid surface backsplash, sidesplash and integral sink over storage cabinet made of genuine cherry wood with polyester finish and bowed fronts
- Hardwood base boards
- Shower with door and automatic enclosed pump
- Storage cabinet with mirror
- Screened overhead hatch
- Towel bars (2)
- Headhunter freshwater toilet
- 120v AC air freshener blower
- AC and DC light fixtures
- AC duplex outlet

- Plexi-mirror around upper cabinet
- DC low voltage lights under toe kicks
- Air conditioning discharge

Bow VIP Stateroom

- Carpeting
- Whisperwall panel headliner
- Wallcovering and genuine cherry wood bulkheads with polyester finish, high gloss
- Whisperwall padded panels on hullside
- Queen sized tapered berth with upholstered headboard and cedar-lined storage underneath accessed via pneumatic cylinders
- Upholstered berth base
- Polyfoam mattress on berth
- Build in dresser, starboard
- Cedar-lined hanging locker with automatic light
- Overhead storage lockers, port and starboard
- Screened overhead hatch
- Nightstands, port and starboard
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Full-length mirror
- 20" LCD TV
- Clear plexi-mirror (forward bulkhead)
- Telephone outlet
- Private access to head with door stop
- Smoke detector
- DC low voltage lights under berth
- Air conditioning disbursement through fluted wood valances, port and starboard

Starboard Guest Stateroom

- Carpeting
- Whisperwall panel headliner
- Wallcovering and genuine cherry wood bulkheads with polyester finish, high gloss
- Whisperwall padded panels on hullside
- Upper and lower berths with storage under lower berth
- Upholstered berth bases

Guest Head

- Amtico vinyl strip flooring
- Whisperwall panel headliner
- Wallcovering
- Upper storage cabinet with mirror
- Solid surface countertops with solid surface backsplash, sidesplash and integral sink over storage cabinet made of genuine cherry wood with polyester gloss finish and bowed fronts
- Stall shower with door, seat and automatic enclosed sump pump
- Screened overhead hatch with privacy cover
- Towel bars
- Headhunter freshwater toilet
- 120v AC air freshener blower
- AC and DC light fixtures
- AC duplex outlet
- Plexi-mirror around upper cabinet
- Hardwood base boards
- DC low voltage lights under toe kicks

Crew's Stateroom Aft

- Carpeting
- Whisperwall padded panels on hullside
- Padded wallcovering
- Upper and lower berths with storage under lower berth
- Polyfoam mattresses
- Cedar lined hanging locker with door and light
- AC and DC light fixtures
- AC dimmable lights
- AC duplex outlets
- Full length mirror
- Private accesses to utility room and head
- Washer/Dryer

Crew's Head

- Amtico vinyl strip flooring
- Whisperwall panel headliner
- Wallcovering
- Countertop and integral sink
- Plexi-mirror around upper cabinet
- Stall shower with door and automatic enclosed sump pump
- Freshwater toilet
- 120v AC air freshener blower
- AC and DC light fixtures

- AC duplex outlet
- Access to utility room
- DC low voltage lights under toe kicks
- Hardwood base boards

Manufacturer Options from Factory

- Enclosed flybridge
- Overhead hatch in enclosed flybridge
- Forward engine room door to crew's quarters
- Pedestal Stool, aft flybridge control station
- Marquipt davit, 1500lbs tenderlift, 120" length, low profile
- Trash compactor
- Pipewelders Tower with control station

Exclusions

Owner's personal belongings.
