SPECIFICATIONS

Overview

"Keep The Faith" is a one-owner, immaculate Pursuit 3400. This boat was a home-run for Pursuit/Tiara back in the early 2000's and she is an ideal pocket sport fisherman. She has such desirable options as the Cummins 370 diesel engine package (better resale, low fuel consumption, readily available parts and service), hardtop with tower, generator, ac/heat, updated electronics, recently replaced canvas and current bottom paint and engine service. Her aluminum and gel-coat shine very well and she really shows like a ten year newer boat.
