Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Manufacturer Provided Description

The Maxum 4100 SCB helm has an ergonomic design with a full complement of instruments and gauges precisely where they should be. A lofty flybridge offers above-water command and entertaining, and the spacious transom platform accommodates an optional electric davit for a personal tender. The flybridge is fully equipped with a two- or three-person helm seat, a portside aft-facing lounge, and an expansive sunpad area. Relax on the large foredeck sunlounge, with removable snap-in pad and stainless steel safety side rails. Spaciousness and luxury prevail in a salon rich in cherry or maple woods. Elegant Corian countertops embrace an epicurean's galley. Center placement of the living quarters and gentle changes in levels, create distinctive dining and lounge areas. Hardwood flooring, custom bedcovers, and an entertainment center add to the ambiance. The master stateroom offers full headroom, rich wood shelving, vanity compartments with mirrors, and electrical outlets.

Exclusions

Owner's personal belongings.

Disclaimer
