DETAILED INFORMATION

Manufacturer Description

Bertram's innovative engineering expertise ushers in a new level of sophistication with the 510's unparalleled modified Deep-V hull design insuring the most comfortable ride on all sea conditions. Redesigned rudders and struts reduce hydrodynamic drag and increase performance while newly designed propellers reduce vibration and noise. Engineers from the Ferretti Group, parent company of Bertram Yacht, contributed considerable knowledge of the latest construction and lamination techniques honed through years on the international offshore race circuit. One of the only 51 ft Sportfish to reach 40 Knots.

Interior Salon

The modern and fresh interior design of the Bertram 510 offers the essential commodities of both a competitive sport-fish, and a luxury motor-yacht.
