SPECIFICATIONS

Overview

Overbuilt is what best describes the Benetti Legend. Benetti wanted to prove they could build a smaller big boat and the result is a full displacement, bulbous bow, 85ft boat with the volume of many 100 footers and the systems typically found on Megayachts. An on deck master makes it a rare find in vessels less than 90ft. Plenty of custom additions, updated electronics and AV, and a great service record make this a must-see! Main Engines: 2X CATERPILLAR model C15 hrs each Bow Thrusters: VT Naiad 30kW Stabilizers w/ Stabilization at anchor VT Naiad Electrical System: 230VAC / 3phase / 50Hz system and 24VDC system ASEA Frequency converter for World use Generators: 2X KOHLER 40kW –230VAC / 50Hz @ 1800 hrs eac Batteries: New 2014 Air Conditioning System: Marine Air chilled water System with Fresh Air unit Boiler: 3 Gianneschi electric hot water (2 x 120 liters and 1 x 80 liters) Windlasses: Maxwell VRC 4500 (3.0kW) Anchors: High holding power type, 105 kg each in galvanized steel Chains Capstans: Maxwell VC3000AC (2.2kW each) Jets Vacuumator Toilet and Gray Water System Hot Water Circulation System Hamann Super Mini Sewage Treatment system Onyx Ships Automation system in Engine Room
