SPECIFICATIONS

Overview

“White Dove” is an unbelievable example of meticulously maintained vessel. She is lift kept and NEVER left with salt water in the engines. The very knowledgeable and respected owner of this boat is a retired captain of nearly 68 years! The very first thing this boat gets when it hits the dock is a freshwater flush from its built in freshwater hookups on the raw water intakes and treated with “Salt Away” after every use. The engines and generator have never spent a night with saltwater left in the engines. This has saved years on the condition of the engines and cooling systems. The Average fuel burn for the life of the engines has been about 2 gallons per hour! This boat has been pampered since the day she was built! Another great feature of this boat is a huge 3000 watt Inverter with (2) 165 amp alternators so you never have to run the generator saving hours and fuel! This boat is an exceptional example of how a boat should be maintained! You definitely do not want to miss your chance to see this incredibly clean boat! She is turn-key and ready to take you on your next adventure! Call today to schedule a preview.

Basic Information

Category: Sport Fisherman

Sub Category: Center Console

Model Year: 2005

Year Built: 2005

Country: United States

Vessel Top: Hardtop

Cockpit: Yes

DETAILED INFORMATION

V-Berth

While snuggled in bed with a perfect view to the custom built and installed flat screen LCD TV with DVD, you can enjoy the comfort of 16,000 BTU's of air conditioning with reverse heat! There is a perfectly appointed settee to starboard with plenty of drawer storage and lockers for your overnight stays or gear.

- Queen size double berth
- Overhead deck hatch with snap on cover
- (2) Incandescent reading lights (1 port and 1 Starboard)
- Anchor Locker
- Storage under berth
- (2) stereo speakers
- Hanging closet

Galley/Cabin

In the galley area you will find plenty of counter space with a microwave to port, a cook top stove, hot/cold freshwater sink, refrigerator and pantry storage. The sole is a beautiful Teak and holly laminate which accents the main cabin perfectly. To starboard is large sofa that converts to (2) single berths known as a "Pilot berth". There is storage below as well as all of your entertainment equipment. The AC/DC breaker panels and generator remote start are also located to Starboard just above the sofa area.

- Circuit board 12V breakers, 120V breakers
- Generator remote start
- Overhead lighting
- 12V stereo
- DVD player
- Epirb
- Climate control
- Tank indicators
- GE Microwave
- Clarion 12V Stereo
- Stainless sink (Hot/Cold)
- Rule 1500 bilge pump (under sole)
- AC Compressor
- Refrigerator
- Trash can
- 110V outlet

- Telephone outlet
- Dish storage
- Pantry storage
- Stainless/Nickel coated fixtures
- Corian Countertop

Head

- Hot/Cold Shower
- Freshwater head
- Hot/Cold Sink
- Toiletry storage
- Mirror
- Corian Countertop

Helm

The air conditioned helm was added with an 18,000 BTU air conditioner and is surrounded by a 3 sided enclosure. There is a large L-shaped bench seat to port with storage beneath. To starboard you will find the helm station with a Captain's helm chair with added custom cushions. There are (2) Bench style seats (Port and Starboard) facing forward with added storage below. The sole is a molded white gel coat non-skid deck, you will find your access to the engine room for your daily maintenance and other needs below operated by an electric ram to give full engine room access.

- 18,000 BTU Air conditioner
- Air Conditioned
- 3 sided enclosure
- Stereo Speakers
- 110V Outlet GFI
- Helm Chair with added 4" Cushion
- Electronics
- Engine room access
- Overhead lights
- Glendenning Single Lever Controls
