## Overview

“Seriously” has been maintained at a higher level than most boats of her age. She’s had many updates since 2012, including all new Furuno electronics, new KVH SAT TV, new Flir camera, new Westerbeke generator, new Rupp outriggers, custom rod storage in the hardtop and underwater lights just to name a few. She is powered by twin C18 Caterpillars and cruises effortlessly at 30 knots, 1950 rpm. This is one of the nicest Cabos that I have seen in a few years. You will not be disappointed! She is ready to take your family cruising and fishing immediately.

## Basic Information

## 45 Cabo

---

### Vessel Walkthrough

Accessed through a sliding salon door and down several steps the salon is to port with a large L-shaped ultraleather couch with a pullout bed and storage. To Starboard is the full galley with Corian countertops, refrigeration/freezer, deep freezer, burner, and microwave oven. Forward and to port is the guest stateroom with high/low bunk beds and to starboard is the full head with enclosed shower. All the way forward is the master stateroom with a walk around queen berth and storage underneath. The signature Cabo rod storage is to port and starboard providing ample storage for multiple rods and situations.

The helm deck is a spacious and well thought out area with complete enclosure and AC/heat. There is a large L-shaped bench seat port and aft with additional rod storage underneath. Tackle storage, an ice maker, and additional storage are to starboard. A centerline helm with full electronics, single lever controls, Stidd helm chair and excellent visibility provides comfort and ease of use for the captain. There is also a Stidd companion chair to starboard.

The cockpit provides a very functional and well thought out fishing platform. Large fish boxes, livewell, lazarette with large storage space, ample rod holders, deep freezer, tackle drawers and storage, bait sink and station, and a Release Marine Fighting rocket launcher.
