## Remarks

Simply put, SUNSHINE II is a special boat and a delight to inspect. This two owner Cabo 35' Convertible has been lovingly cared for by its second owner for the past ten years and it shows. He's a retired marine industry executive with a lifelong love of boats and the practical knowledge to keep "his baby" in tip top shape. The Cat 3126 B engines have been very well cared for by the same mechanic for ten years and have had all the necessary updates and services whenever required. The entire engine room is neat as a pin. The oils have been changed religiously and all the mechanical & electrical equipment and systems aboard have been repaired and updated or replaced whenever the need arose. If your desire is to own a truly turnkey 35' Cabo Convertible ready to go fishing or cruising tomorrow without worry, SUNSHINE II should be at the very top of your list of candidates. Call today to arrange for a personal inspection. You will not be disappointed.

## Exclusions
