LOA: 43' 10" (13.36m)

Beam: 15' 2" (4.62m)

Min Draft: 3' 7" (1.09m)

Speed, Capacities and Weight

Cruise Speed: 25 Kts. (29 MPH)

Max Speed: 31 Kts. (36 MPH)

Displacement: 37000 Pounds

Water Capacity: 94 Gallons

Fuel Capacity: 438 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo

Model: TAMD 74P

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Powerboat Guide Description

Alot of boat for the money in her day, the Ocean 43 SS delivered more than just a rakish profile and better-than-average performance; she also boasts a well-finished interior with a spacious salon and an innovative master stateroom layout. Built on a tapered, modified-V hull with a shallow keel and a well-flared bow, the 43 SS came with a long list of standard equipment and relatively few options. Her spacious two-stateroom floorplan is arranged with a private head in the master stateroom (located in the bow of the boat) and (a double bed) the guest cabin. The wide-open salon is created by extending the house well forward on the foredeck and tucking the guest stateroom under the galley. The cockpit has a freezer, a huge fish box, transom livewell, washdowns, tackle storage lockers, and a transom door. Additional features include a central vacuum system, wide side decks, engineroom washdown, and a bow pulpit.

Interior Highlights

- Air conditioning with reverse cycle heat (2 units)
- Overhead low voltage lighting with LED bulbs
- Under counter refrigeration
- Convection microwave oven
- 2 burner stove
- Instant hot water
