SPECIFICATIONS

Overview

The magnificent Oyster 725 *Spirit of Phantom*, the first of its kind, is now en-route to the Caribbean.

Here is a fantastic opportunity to purchase a beautifully maintained Oyster 725. Spirit of Phantom's interior is modern, functional and minimalistic, showcasing American light oak with horizontal wood grain throughout. Her well-planned and highly equipped galley has been designed with chartering in mind. Spirit of Phantom has successfully chartered in the Mediterranean and Caribbean.

Designed by Rob Humphreys and the Oyster Team to deliver both luxury living and high performance blue-water cruising, *Spirit of Phantom* ticks all the boxes.

Professionally maintained with stunning lines and plentiful accommodation she makes a perfect solution for pleasurable cruising with the potential to recover some of the investment through chartering.
