Fuel Type: Gas/Petrol

DETAILED INFORMATION

Manufacturer Provided Description

The Tiara 2900 Coronet has versatility, wide-open cockpit space, and plenty of options. Whether monitoring the gauges, checking the oil, or reaching for a cold drink, the 2900 Coronet was designed for easy access to all the integral areas - helm, engine and wet bar. While designed to be a multipurpose day boat, the 2900 Coronet - with its 6-foot 4-inch V-berth, mini galley, and private head - also provides enough room and comfort for overnight stays. The custom-welded aluminum windshield, standing six feet over the cockpit sole and 32 inches over the helm, provides enough coverage to keep passengers dry even in the roughest of waters. Tiara's smallest vessel includes cleats, hawse pipes, grab rails, hinges, hatches, and doors that would be standard in boats of much greater size.

Electronics

- Garmin GPS Map 540S
