## Обзор

---

**BROKER'S COMMENTS** Spindrift, launched late in 2003, is now in her second ownership. She is ready for new adventures and is only for sale as the owner has bought a bigger Oyster. Spindrift is all set and ready for the ARC in November, which was the plan. Professionally maintained and stored ashore under a full cover for winter she is in great order. American White Oak interior with the standard 4 cabin layout offering seven berths. New batteries in 2015, new sails in 2014, new standing rigging in 2013 along with new running rigging 2014 are a glimpse into how well this boat has been cared for. Easily handled sail plan with in-mast furling and roller furling headsails, perfect for family and short handed cruising.

**OWNER'S COMMENTS**  
Spindrift has been lightly used, both by the previous owner and us and stored under a full winter cover on the hard from October to May. She won 2 of her 5 races in the Palma Oyster Regatta 2014. We had no intention of selling her. Then on impulse, mid summer, bought a bigger Oyster! She is ready to go, and priced for a quick sale.
