## Overview

---

Lots of manufacturers build 30 foot mid-cabin express cruisers, but few have been at it as long as Sea Ray. This is the fourth in a series of 300 Sundancer models Sea Ray has produced since 1985. An extended swim platform made her one of the most stylish and versatile in her class. Like her predecessors, this latest 300 Sundancer rides on a deep V-hull with moderate beam and a solid fiberglass bottom. The floor plan includes an enclosed head and shower, a double berth forward, and of course a mid berth aft. Privacy curtains separate the sleeping areas from the main cabin. The cockpit comes with a wet bar and a removable table in addition to a fore and aft facing seating. The entire cockpit console rises on hydraulic rams to reveal the engine compartment. With her blue hull and recently replaced full enclosure, this yacht is a steal at a very competitive price.

This 300 Sundancer is powered with recently replaced **NEW twin Mercruiser 5.0 MPI engines.**, and duo prop out drives .Included is a three year warranty. The engines have less than 30 hours on them.She has all the amenities you could want with a swim platform equipped with hot and cold water wash down, a wet bar and refrigerator in the cockpit, spacious galley, flat screen TVs and a vacuum flush head with sink shower.

This Sundancer shows as almost new. There is some minor wear on some of the cockpit cushions due to sun exposure, but ver little. The generator is reported by the owner to not be working.

- Swim Platform with 4 step ladder
- SS Bow Rail

### **Brand New Engines with Warranty**

If you are looking for a used boat with like new appearance and reliability, then this is your yacht. Recently replaced engines, still under warranty, will give you the re-assurance and peace of mind rarely found in a used boat purchase. She is family owned and obviously well maintained. One of the nicest 300 Sundancers on the market.
