Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Entering the large teak cockpit, the first thing you notice is the beautiful Murray teak fighting chair. The boat is equipped with full and large fish boxes in the deck port and starboard, as well as tuna tubes. Moving forward, the air conditioned mezzanine has ultra-leather seating and a KEP monitor to display anything you would like from the bridge. There are also refrigerated drink boxes as well as freezers. Heading thru the electric salon door, you are greeted to an ultra-high gloss interior with upgraded materials and fabrics throughout. There is an L- shaped ultra-leather sofa to starboard and two bar stools at the galley counter top. Just ahead to starboard is the dinette seating with full galley to port.

Down the companionway to starboard is a guest stateroom with over and under bunks. Just forward is the day/guest head and then the additional guest stateroom with over and under bunk beds. To port is the master stateroom with a queen sized bed and en-suite head. All the way forward is the VIP stateroom with a queen sized bed and en-suite head.

Back in the cockpit, the engine room is easily accessed on the center-line of the boat. The engine room sparkles with awl grip paint and houses both C-32 Cat engines as well as the two Onan 21.5 kW generators with sound shields. From the cockpit the bridge is accessed via the teal steeped ladder on the port side. With a three sided enclosure, the bridge features three Murray Elite teak helm chairs with ample seating covered in matching ultra-leather. She has a great electronics package as well as an upgraded stereo system.
