SPECIFICATIONS

Overview

Hideaway has it all. She is a 6000 HP Performance Yacht and looks the part, yet still has a practical fly bridge with plenty of space for all to lounge around in or around the hot tub. There are great accommodations for 9 guest and 5 crew in recently updated Staterooms. Great layout all around!

The Galley is the envy of Chefs with plenty of space and a full complement of Miele Appliances. There's a full Media Room for a rainy day movie marathon.... and all this in 105' with less than 4ft of draft.
