Overview

DEALER OWNED - JUST TRADED *She's not a beauty queen but she'll get the job done! Boat is a bit rough around the edges but ...she's ready to fish Priced to Sell Today ...Bring us an Offer!*

Prokat was a big name Cat hull Center Consoles in the mid 2000's and was later bought out by Pro-Sports. Unfortunately the recession brought the brand to an end.

Our client recently traded the boat for a brand new Everglades CC. So if you are looking for a great deal on a big offshore 29' Catamaran Center Console we've got the goods. This 2860 is a bit rough around the edges but mechanically in very good condition. It's a recent trade so could take you boat in on trade too.

He wide beam (9' 8") provides good stability when drift fishing or picnicking.
