Overview

Remodeled classic Mainship MK1. This boat has all the great features Mainship built into its popular MK series; a 1979 hull known for fuel efficiency and sea-handling at less than half the price of a used more recent Mainship 34'. This is a unique boat that has been seriously upgraded. Fuel efficient Yanmar 170hp Turbo diesel; Kohler Generator; Awlgripp paint; decks recored; interior remodeled. This is a serious boat for someone wanting to take the Loop, get-away to those secluded anchorages or take to the Gulf and bays for fishing.

Brokers Comments

"Gotta Dance" is without a doubt the nicest Mainship I have ever seen. The owner has spent a significant amount of time, effort and money to make this vessel comfortable, safe and usable. To say this vessel is one of a kind does not even begin to describe it. Not only has it been highly customized, it has been meticulously maintained and the owner has records for everything that has been done.
