Manufacturer Provided Description The Seaward 25 is one of the finest and most sought-after boats in her class. Her clean, flowing lines will catch the eye, and her practical nature will win the heart. Her size and comforts make her a perfect performance cruiser. With wheel steering, diesel, roller furling headsail, pressure hot and cold water, and a marine head with holding tank, she has the amenities of a forty-footer without the bother.

Brokers Comments

Very nice little pocket cruiser that's know for her high quality build. She was just relaunched with a **new bottom job (march 2016)** and she has a **new Yanmar diesel with only 15 hours.**

The bimini top is being restitched presently so not shown in photos.

There is a trailer but is sold as is and will need the brakes rebuilt and new springs at a cost of \$2k from local Boathouse Discount Marine who's great with redoing trailers.

One slight tear on the starboard settee upholstery.

A very nice SEAWARD 25.
